

PloT Assignment 2 Group Effort Assessment

Group Number:

Score range (10-7)	The group member made rigorous and regular contributions
Score (7-5)	The group member was mostly present and contributing, with minor lapses
Score (5-3)	The group member was average in terms of contribution, disappeared from time to time
Score (3-0)	This group member made minimal contribution and was disengaged for most of the project.

1st – Use the Self-assessment rubric above to come up with a final score for each of the group members in the team.

Group Member (Name Student Number)	Score #
Sample: Jane Doe 3333333	6
First member: Mohammed Alotaibi 3756190	10
Second:	
Third:	
Fourth:	

2nd – Discuss this among yourselves and rate the efficiency of your group dynamics. Enter a score from 1 to 4. 1 = awful; 2 = average; 3 = most of the times; 4 = always

Group dynamics	Score #
We were in complete sync with each other.	
We communicated on a regular basis.	
We had positive disagreements.	
We were very productive in terms of outcomes.	
We took initiative.
